UNITED STATES DISTRICT COURT
DISTRICT OF OREGON
PORTLAND DIVISION

Case No.: 3:15-cv-00220

DALLAS BUYERS CLUB, LLC, a Texas
Limited Liability Company,

Plaintiff,

v.

DOE-73.37.42.33,

Defendant.

COMPLAINT

COPYRIGHT INFRINGEMENT

DEMAND FOR JURY TRIAL

COMPLAINT

Plaintiff Dallas Buyers Club, LLC (“DBC”), complains and alleges as follows:

JURISDICTION AND VENUE

1. This is a suit for copyright infringement under 17 U.S.C. §§ 101 et seq. (“The Copyright Act”).
2. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a)..
3. Venue in this district is proper pursuant to 28 U.S.C. § 1391(b) and 28 U.S.C. § 1400(a) as the defendant is believed to reside in this district.

PARTIES

PLAINTIFF

4. Plaintiff DBC is Texas Limited Liability Company and the registered copyright holder of *Dallas Buyers Club*.

The Rights of DBC

5. *Dallas Buyers Club* is an acclaimed motion picture nominated for six Academy Awards (Oscars).

6. *Dallas Buyers Club*, has been registered with the United States Copyright Office by the owner, DBC, Registration No. PA 1-873-195, 2013

7. Under The Copyright Act, DBC is the proprietor of all copyrights, title, and related interest in the motion picture.

8. The motion picture contains wholly original material that is copyrightable subject matter under the laws of the United States.

9. The motion picture is currently offered for sale in commerce.

10. Defendant had notice of plaintiff's rights through general publication and advertising and more specifically as identified in the content of the motion picture, advertising associated with the motion picture, and all packaging and copies, each of which bore a proper copyright notice.

THE DEFENDANT

11. The defendant identified herein as DOE-73.37.42.33 is currently known only by their Internet Protocol ("IP") Address 73.37.42.33 which on 1/15/15 at 05:29:31 PM UTC, was observed through direct TCI/IP connection as infringing the motion picture.

12. Through geolocation, the IP address used by the defendant has subsequently been traced to the State of Oregon.

13. Defendant's IP address has been observed as associated with the peer-to-peer exchange of a large number of copyrighted titles through the BitTorrent network.

14. The volume and titles of the activity associated with defendant's IP address indicates that the defendant is likely the primary subscriber of the IP address or someone who resides with the subscriber, as such activity indicates the defendant is an authorized user of the IP address with consistent and permissive access.

15. The volume and titles of the activity associated with defendant's IP address indicates that the defendant is not a young child, but an adult with mature tastes.

16. The defendant's IP address was at that time of observed infringement managed by Internet Service Provider ("ISP") Comcast, who on information and belief, generally assigns an IP address to a single party for extended periods of time, often for months and provides Wi-Fi systems with notable pre-installed security and passwords.

17. The records maintained by Comcast should be able to identify either the defendant, or the subscriber who contracted with Comcast for service who in turn is likely to have knowledge that will lead to the identity of the defendant.

18. Plaintiff intends to seek initial discovery to subpoena records from Comcast to ascertain the true identity of the defendant.

BACKGROUND

PEER-TO-PEER INTERNET PIRACY

19. As noted by Senator Levin in Congressional hearings on peer-to-peer Internet piracy, "In the world of copyright law, taking someone's intellectual property is a serious offense, punishable by large fines. In the real world, violations of copyright law over the Internet are so widespread and easy to accomplish that many participants seem to consider it equivalent to jaywalking – illegal but no big deal. But it is a big deal. Under U.S. law, stealing intellectual

property is just that – stealing. It hurts artists, the music industry, the movie industry, and others involved in creative work. And it is unfortunate that the software being used – called ‘file sharing’ as if it were simply enabling friends to share recipes, is helping create a generation of Americans who don’t see the harm.”

20. In 2013, in recognition of the growing problems and challenges with counterfeiting and piracy, The Oregon House of Representatives passed House Memorial 2, which made the following findings:

Whereas the United States and other nations share the challenge of combating intellectual piracy and the counterfeiting of intellectual property such as ... films... and technologies that affect the quality of life; and

Whereas intellectual piracy and counterfeiting have a significant impact on Oregon's economy, and the economies of other states and of nations around the world, which results in job and earnings losses, reduced tax revenues and increased threats to public health and safety; and

...

Whereas protecting and enforcing intellectual property rights is crucial to the future of our innovation-based economy; and

Whereas industries that use intellectual property extensively generate nearly \$7.7 trillion in gross output and account for more than 60 percent of total exports from our nation; and

Whereas industries that use intellectual property extensively ... employ more than 19 million Americans, whose salaries average about 60 percent higher than salaries in industries that do not make extensive use of intellectual property; and

Whereas intellectual property infringement can undermine the nation's economic security; and

Whereas violations of intellectual property rights, ambiguities in the law and a lack of enforcement create uncertainty in the marketplace and in the legal system and undermine consumer trust; and

Whereas intellectual property, including trademarks, [are] essential ...; and

...

Whereas failing to adequately protect and enforce intellectual property rights will increase counterfeiting and illicit trade;

...

21. As such it is clear that giving effect to 17 U.S.C. §§ 101 et seq. and ORS Chapter 647, and the enforcement of intellectual property rights, and in particular the fight against

counterfeiting and piracy are critical issues of importance to the both the United States of America and the State of Oregon.

22. To use BitTorrent, a user intentionally downloads a program that they install on their computer called a “client.” The BitTorrent client is the user's interface during the downloading/uploading process.

23. Users then intentionally visit a “torrent site” or network site to find media or content available for download which is often an advertisement-revenue or subscription-supported index of media or content being made available by other users on the network and maintains a listing of movies and television programs among other copyrighted content.

24. Internet piracy, and in particular BitTorrent piracy, though known as peer-to-peer file sharing, is often a for-profit business as many software clients, torrent sites and networks generate millions of dollars in revenue through sales and advertising.

25. To increase the value of the advertising and sometimes subscription access sold by torrent sites, many parties work to expand the pool of available titles and speed of downloads available by increasing the number of member peers and thus the desirability of their clients and networks. To accomplish this they often reward participants who contribute by giving them faster download speeds, greater access, or other benefits.

26. Defendant’s participation in the BitTorrent exchange of plaintiff’s motion picture is the type of activity that torrent sites use to promote their business and likely directly furthered the for-profit business of at least one torrent site.

27. Many parties, and possibly defendant have been compensated for their participation in expanding the availability of pirated content to others through BitTorrent networks, including plaintiff’s movie.

28. For years, many artists lamented that their work was being commoditized and sold by profiteering industries that exploited them through controlling the means of distribution and market access. But with new technologies and the advent of the piracy model of distributed and peer-to-peer networks, such exploitation now takes the form of advertising revenue driven piracy supported by millions of people who collectively exploit and destroy the creative market, attempt to hide in their perceived crowd-based anonymity, and excuse their conduct with the false statement that their small piece of straw does not burden the camel.

29. But this claim of *de minimis* harm is false. As stated by James Osterberg a/k/a Iggy Pop, in the BBC Music John Peel Lecture, Oct. 13, 2014:

But now, everybody's a bootlegger, but not as cute, and there are people out there just stealing the stuff and saying don't try to force me to pay. And that act of thieving will become a habit and that's bad for everything.

So is the thieving that big a deal? Ethically, yes, and it destroys people because it's a bad road you take....

30. The use of BitTorrent does more than cause harm through the simple theft of intellectual property. The BitTorrent distribution of pirated files is a model of business that profits from theft through sales and advertising and provides a system of rewards and compensation to the participants, each of whom contribute to and further the enterprise.

31. Based on activity observed associated with defendant's IP address, defendant is a prolific proponent of the BitTorrent distribution system advancing the BitTorrent economy of piracy.

CLAIM FOR RELIEF

COPYRIGHT INFRINGEMENT

32. Defendant, without the permission or consent of DBC, copied and distributed plaintiff's motion picture through a public BitTorrent network.

33. Defendant's actions infringed DBC's exclusive rights under The Copyright Act.

34. Defendant's conduct has been willful, intentional, in disregard of and indifferent to DBC's rights with the intent to deprive DBC of income and cause DBC harm.

35. As a direct and proximate result of defendant's conduct, DBC's exclusive rights under 17 U.S.C. § 106 have been violated.

36. DBC is entitled to damages pursuant to 17 U.S.C. § 504 and attorney fees and costs pursuant to 17 U.S.C. § 505.

37. The conduct of defendant is causing and, unless enjoined and restrained by this Court, will continue to cause plaintiff great and irreparable injury.

38. Pursuant to 17 U.S.C. §§ 502 and 503, DBC is entitled to injunctive relief prohibiting defendant from further contributing to the infringement of DBC copyrights and ordering that defendant destroy all copies of the motion picture made in violation of DBC rights.

DAMAGES

39. Plaintiff has been damaged and claims statutory damages from the infringer pursuant to 17 U.S.C. § 504(c)(2).

40. Plaintiff also demands equitable relief.

PRAYER FOR RELIEF

WHEREFORE, plaintiff prays for judgment against defendant as follows:

- A. For entry of permanent injunction enjoining defendant from directly, indirectly or contributory infringing plaintiff's rights, including without limitation by using the internet to reproduce or copy plaintiff's motion pictures, to distribute plaintiff's motion pictures, or to make plaintiff's motion picture available for distribution to the public, except pursuant to a lawful license or with the express authority of

plaintiff. And further directing defendant to destroy all unauthorized copies of plaintiff's motion picture;

- B. Statutory damages pursuant to 17 U.S.C. § 504.
- C. For plaintiff's reasonable costs and attorney fees pursuant to 17 U.S.C. § 505; and
- D. For such other and further relief as the Court deems proper.

DEMAND FOR JURY TRIAL

Pursuant to Rule 38 of the Federal Rules of Civil Procedure, plaintiff demands a trial by jury.

DATED: FEBRUARY 8, 2015

Respectfully submitted,

CROWELL LAW

/s/ Carl D. Crowell

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence.** For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys.** Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction.** The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.
 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.
 United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.
 Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.
 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; **NOTE: federal question actions take precedence over diversity cases.**)
- III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit.** Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerk(s) in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.
- V. Origin.** Place an "X" in one of the six boxes.
 Original Proceedings. (1) Cases which originate in the United States district courts.
 Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.
 Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.
 Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.
 Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.
 Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.
- VI. Cause of Action.** Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service
- VII. Requested in Complaint.** Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.
 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.
 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases.** This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
